REMEMBRANCE SUNDAY AND THE WAR MEMORIAL

REMEMBRANCE SUNDAY WAS observed on November 9th, 2025. The event, as always, was led by the British Legion in partnership with Churches Together and many other Billericay groups and societies. Attendance continues to grow each year, and the Town Council is proud to support this important civic occasion by providing both the rolling road closure and the public address system.

As ever, it was a moving and memorable parade and service. Representatives from local churches, groups, clubs, and societies joined our local MP, Town Councillors, Youth Town Councillors, and individual residents in laying wreaths in remembrance.

The War Memorial itself is maintained by the Town Council, and we take great pride in keeping it looking its best throughout the year. It is regularly cleaned and cared for by our caretaker, while our contractor, Amethyst Horticulture, has recently refreshed the beds and pots with citrus-coloured plants – adding a welcome splash of brightness at this otherwise dull time of year.

WAR MEMORIAL REFURBISHMENT

THE HEALTH, WELLBEING AND ENVIRONMENT COMMITTEE look after the War Memorial and back in May members felt that both the World War I and World War II memorials could do with some TLC. It was arranged for them to be initially steam cleaned, and this took place in August.

The cleaning revealed significant damage to the coping stones on the WWII memorial, identified areas needing repointing on the walls and mortar repairs on the WWI memorial. As a listed monument, any work has to be undertaken by a specialist contractor with the relevant expertise and experience. The contractor returned to finish the work in September and we were delighted with the results.

We would like to extend our sincere thanks to the team from Bakers of Danbury for their skilled work and dedication throughout this important restoration project.

HIGH STREET LITTER PICK

ON SATURDAY 8TH November, local residents joined forces with members of Billericay Town Council for a community litter pick along the High Street. With the Remembrance Parade and service taking place the following day, volunteers were keen to ensure the town looked its best. Armed with bags, gloves, and plenty of enthusiasm, the team set to work between 9:30am and 11am – and their efforts paid off! The photo below captures the proud participants alongside the impressive haul of litter they collected, leaving the High Street spotless and ready for the weekend's commemorations.

WELCOME TO OUR NEW TEAM MEMBERS

THE TOWN COUNCIL is delighted to welcome two new additions to the Chantry Centre team: **Andy Taylor**, our new Caretaker/Handyperson, and **Dawn Pearcy**, our new Office Administrator. Both joined us in **September 2025**, and they've already made a great impression.

Andy Taylor brings a hands-on, proactive approach to his role. With a background in engineering, he's making strides to ensure the building is always clean, safe, and ready for our hirers and visitors. He's especially focused on improving the efficiency of our heating and ventilation systems.

Dawn Pearcy is a long standing Billericay resident and a familiar face in the South Green community. She is passionate about the town, its future, and supporting the Council's work. Dawn will be managing Planning administration, supporting Committee meetings, and helping with bookings and the day-to-day running of the

Chantry Centre.

Please join us in giving Andy and Dawn a warm welcome.

PLANNING MATTERS

Cllr Chris May – Planning Committee Chairman

BY THE TIME you read this the Planning Committee will be busy scrutinising the latest version of the Draft Local Plan as a response to the latest 'Regulation 18' Consultation from Basildon.

We also review all Planning Applications that impact Billericay. Most of these are low impact, relatively minor alterations to existing properties. However, a significant number have wider implications either in terms of scale, location or sensitivity. This latter group often raises interest from Residents, who can request attendance at one of the Committee's fortnightly meetings to articulate their comments or concerns.

Whilst we value and welcome the input from Residents, we do need to emphasise that we are not the decision-makers on planning – that role lies with Basildon Borough Council. However, like any resident, the Town Council has the right to submit comments on applications.

To give sufficient focus and priority to the 'high impact' Planning Applications, advocate for an improved Local Plan and ensure that the Council uses its time and resources efficiently we are streamlining how we organise the meeting Agendas.

From January 2026 the Town Council's Planning Committee will:

- Continue to meet fortnightly as needed
- Automatically discuss only major or sensitive applications, including:
 - o Town Centre developments (including licensing applications)
 - o Large-scale housing (5 units or more)
 - o All Developments on Green Belt land
 - o Listed buildings and Conservation areas
 - o Applications where public interest has been received
- All other minor applications will be reviewed by the Town Clerk and two senior councillors, with comments submitted under delegated powers.

What If I Have Concerns About an Application?

If you are affected by a planning application:

- You can submit your comments directly to Basildon Borough Council
- You may also contact the Town Council via the Town Clerk. The application can be added to the agenda and discussed at a meeting of the Committee to which the public can attend on request.

Keeping You Informed

A list of the planning applications received each week will be made available on the Council's website www.billericaytowncouncil.gov.uk

The Town Council will continue to monitor all planning activity and keep a log of comments submitted and decisions made. Major applications will always be discussed publicly and the views of Residents reflected in our responses.

BANKING HUB ON COURSE FOR 2026 OPENING

IN MID-OCTOBER, we were advised that Cash Access UK's acquisition team had completed the signing for a permanent Banking Hub in Billericay. The hub will be located in the former Lloyds Bank premises at 89 High Street, with work expected to begin shortly.

Richard Holden MP, Town Council Chairman Cllr Jim Devlin, and the Town Clerk worked with Thea Watts of Cash Access UK to ensure residents are provided with the Hub's banking facilities.

There will be a soft opening, which is a preliminary launch, in mid-December to ensure everything is running smoothly before the official opening in early 2026.

Residents are reminded that Santander has pledged not to close its branch until the new Banking Hub is fully operational.

In the meantime, Barclays customers can continue to use the community banking hub in the Chantry Centre on Mondays and Wednesdays, from 9am to 5pm.

TC Chairman Cllr Jim Devlin

CHRISTMAS LIGHTS 2025

ONCE AGAIN THE Town Council has decorated and illuminated the lamp columns and trees along the High Street to provide a bright and welcoming display for all our residents and visitors during the festive period.

This popular tradition of lighting the High Street offers a cheerful and festive atmosphere which residents can enjoy throughout Christmas 2025.

We wish all our residents a very Merry Christmas.

BILLERICAY SHINES BRIGHT AT THE LATE NIGHT LIGHT UP

THE LATE NIGHT Light Up on Thursday 27th November was a huge success, bringing festive cheer and community spirit to the heart of Billericay. The High Street was alive with colour, laughter and music as families came together to celebrate the start of the Christmas season. Visitors were treated to amazing performances from talented street entertainers, the ever-popular Mayflower Morris Men, and the dazzling dancers and singers from Dance Steps Academy, who all helped create a magical evening atmosphere.

Local shops stayed open late, offering fantastic discounts, festive treats, and special offers for those getting a head start on their Christmas shopping. The town was buzzing with excitement, showing once again how vibrant and welcoming our local community is.

The celebrations don't stop there! The next big event is Small Business Saturday on 6th December, a perfect opportunity to support your local stores and find unique gifts while enjoying free car parking available behind Iceland.

Be sure to follow 'Your Billericay' on social media, where the Advent Calendar Giveaway will be running throughout December – with a new prize to be won every day!

Looking ahead, there are already exciting new events planned for 2026, proudly supported by our amazing local businesses. Thank you to everyone who came out to make the Late Night Light Up such a memorable evening – and here's to even more community celebrations in the year ahead.

CAR PARK CHARGES: AN UPDATE FOR RESIDENTS

THERE STILL SEEMS to be no end in sight to the issue of parking charges at Lake Meadows. All of Billericay's elected representatives – including our Borough Councillors and MP, Richard Holden – continue to press Basildon Council to recognise the problems these charges are causing.

In the last edition of The Town Crier (available at BillericayTownCouncil.gov.uk), we explained that Basildon Borough Council had asked us to help fund two hours of free parking in Lake Meadows on Saturday and Sundays. To help us decide, the Town Council asked Basildon Borough Council three straightforward questions:

1. A clear breakdown of costings – so councillors could understand how the charges were calculated and what assumptions were made.
2. A service level agreement – setting out a formal mechanism for managing any future price changes.
3. Advance discussion of future increases – to ensure these are agreed before the Town Council's budget is set each December, preventing any unexpected costs being imposed mid-year. Basildon Council did provide a spreadsheet of costings, but Town Councillors found it impossible to reconcile. Basildon also declined to agree a formal process, and would only work to a timescale aligned with their own much later budget cycle.

By the time our July meeting took place, Basildon had already decided to divert funds from their Billericay Area Committee budget to provide two hours of free parking on Saturday and Sunday mornings – effectively overtaking the discussions about Town Council support.

However, this issue is much wider than just weekend mornings. The introduction of charges affects park users throughout the week. We know usage of Lake Meadows has dropped: fewer people are walking their dogs, taking children and grandchildren, or enjoying the park for exercise and relaxation. Some residents are now travelling to Basildon's Gloucester Park and the Sporting Village, where parking remains free.

This not only impacts local wellbeing but also the two businesses in Lake Meadows that rely on visitors – the cafe and the swimming pool. It seems unfair to charge Billericay residents for access to open space where people seek to maintain their physical and mental health – when equivalent Basildon facilities are free.

We support our Borough Councillors and MP in their aim of getting Basildon to reverse these charges which are unfairly impacting the health and welfare of Billericay residents and local businesses.

COMMUNITY STREET WARDENS

THE TOWN COUNCIL has approached the Police Fire and Crime Commissioner's Office about whether we could collaborate, along with the Business Improvement District, to provide a Street Warden service to patrol Billericay High Street.

The Community Street Wardens service plays a vital role in enhancing public safety and improving the overall quality of life in neighbourhoods. Street wardens serve as a visible and approachable presence in public areas, helping to deter antisocial behaviour, support crime prevention and assist residents and businesses with local concerns. They contribute to creating safer, cleaner and more connected communities.

We are awaiting feedback from the Police Fire and Crime Commissioner's Office as to whether there is evidence of need for this service which is based on data from reported crimes – so we urge residents to report all experiences of crime and anti-social behaviour to Essex Police either online at: Report a crime | Essex Police or by telephoning the non-emergency number 101.

CALLING BILLERICAY COOKS GRANT AWARDED TO ROTARY CLUB OF BILLERICAY TOWN

IN SEPTEMBER THE Town Council were approached by the Billericay Town Rotary Club about a grant towards a Gavin and Stacey themed cookbook that they are working on with the Barry Island Rotary Club to raise funds for charitable causes. The Town Council agreed a grant of £425 towards print costs and then a further £75 if we were allowed to include a Billericay Town Council recipe.

We are hoping that some of our residents are accomplished cooks who would like to share their favourite recipes for possible inclusion. Please email your recipe, which can be sweet or savoury, to: townclerk@billericaytowncouncil.gov.uk by 31st December 2025. All recipes received will be submitted to the Rotary Club for taste testing.

DEVOLUTION AND COUNCIL RE-ORGANISATION – UPDATE

AN ARTICLE IN the July edition of the Town Crier laid out the planned re-organisation of councils within Essex. Currently there are four Unitary authority models being proposed which will be considered by Government:

The Three Unitary Model – proposed by Essex County Council

- 1) South Essex Unitary: Southend, Rochford, Castle Point, Basildon, Thurrock
- 2) Central Essex Unitary: Chelmsford, Brentwood, Epping Forest, Harlow, Maldon

- 3) North Essex Unitary: Colchester, Tendring, Braintree, Uttlesford

The Five Unitary Model – proposed by Basildon Borough Council

- 1) Basildon & Thurrock
- 2) Rochford, Castle Point, Southend
- 3) Chelmsford, Brentwood, Maldon
- 4) Braintree, Colchester, Tendring
- 5) Uttlesford, Harlow, Epping Forest

The Four Unitary Model – proposed by Thurrock Council

- 1) Uttlesford, Braintree, Chelmsford
- 2) Harlow, Epping Forest, Brentwood, Thurrock
- 3) Basildon, Rochford, Castle Point, Southend
- 4) Colchester, Tendring, Maldon

The Four Unitary Model – proposed by Rochford Council

- 1) Uttlesford, Harlow, Epping Forest
- 2) Chelmsford, Brentwood, Maldon, Rochford
- 3) Basildon, Thurrock, Castle Point, Southend
- 4) Braintree, Colchester, Tendring

When consultations take place on these models the Town Council will respond. Residents are also encouraged to respond. Information about consultations will be published on the Town Council website. As previously stated we will be careful to ensure that whatever happens involving the Town Council it will not cause more cost to you overall in your Council Tax for the same standard of service.

FESTIVAL GARDENS UPDATE

IN SEPTEMBER, STAFF from Writtle Agricultural College visited Festival Gardens in Billericay following an invitation from the Town Council's Health, Wellbeing and Environment Committee. The visit marked the beginning of an exciting collaboration aimed at enhancing this cherished green space on Crown Road.

Years of dry summers and the lack of an on-site water supply have taken a toll on the Gardens, with many of the commemorative shrubs struggling to survive. As a result, the Council's top priorities for the project include introducing a drought-tolerant planting scheme that supports local wildlife and installing vandal-resistant seating.

Technical Horticulture students from Writtle have been busy developing redesign proposals, and we eagerly await their final plans. Once received, the Town Council's Recreation Working Party will initiate the tender process for the preferred scheme.

In addition to the landscaping improvements, we are also exploring ways to enhance security in the Gardens. Plans are underway to install CCTV cameras to help deter vandalism and anti-social behaviour, ensuring the area remains a safe and welcoming space for all.

FORGOTTEN, FORLORN & UNLOVED!

THESE ICONS OF the past are listed monuments to old technology but now stand sadly neglected outside the old Sorting Office on the High Street. The Town Council believe they are worth preserving and are actively pressuring BT (who still own them) to carry out restoration work that befits their heritage.

Whilst they have outlived their original function, there are many examples of how they can be repurposed to benefit the community. However, they can only be repurposed if communities adopt them, and become responsible for their upkeep and maintenance, but as they are listed they must remain telephone boxes! We would welcome suggestions, tell us what you think!

BUILDING COMMUNITY AT THE CHANTRY CENTRE

OUR STRATEGY FOR the Chantry Centre is to strike a sensible balance between commercial hirers – who generate most of the revenue and help ensure value for money – and community groups, charities and volunteers who bring added value and opportunities for residents.

In this year's budget we wanted to take a further step by actively commissioning new activities that benefit the community. We were looking for motivated individuals or groups with ideas for events that are not currently offered in the Chantry Centre, and in some cases not offered anywhere in Billericay. Some might be one-off events, while others could become regular activities if they prove popular.

The Town Council would provide the room or hall, and funding would also be available to help cover any additional costs involved in running the event.

We invited interested individuals to a workshop in September, and the response was more successful than we anticipated.

Ideas included a proposal from Becca and Megan to build on last year's Billericay Sewing Bee with a glitzy catwalk show featuring clothes upcycled from charity shops. Their idea is to involve not only individual makers but community groups and schools. Lucy proposed regular workshops to help educate carers about the services available to support loved ones. Maureen

shared her plans for regular sessions aimed at people from professional backgrounds living with dementia, including guest speakers and Q&A sessions. She is also exploring the idea of an intergenerational choir concert.

We were very encouraged by the response. All of these ideas are new to Billericay and aimed at a wide cross-section of our community. We hope many of them will get off the ground in the coming months.

Do you have an idea that could help us build community?

We are looking for more brilliant ideas for events that bring people together, benefit residents and make full use of our fantastic community hub. We know many local groups have great ideas but limited financial resources, so our funding can help make your idea happen. Your event could be for families, young people or older residents. It could be a music night for teenagers, a flower show by a gardening club or an afternoon concert for seniors. If it benefits the Billericay community, we would love to hear from you.

Successful applicants will receive funding to help cover costs, including free hire of the Chantry Centre.

An application form is available on our website (billericaytowncouncil.gov.uk/grant-applications), or visit the home page and select Services then Grant Applications. You can also contact townclerk@billericaytowncouncil.gov.uk or call 01277 625732 for more information.

COMMUNITY EVENTS AT THE CHANTRY CENTRE – DECEMBER 2025 & JANUARY 2026

DECEMBER 2025

Every Monday and Wednesday – Barclays Local – Community banking hub 9am-5pm

4th December – Mid-Essex Recovery College – Creating Art workshop 10.30am-12.30pm (A free course to support mental health recovery)

4th December – Billericay Community Cinema 7pm

5th December – Basildon Community Transport Service – Toenail cutting 9.30am-12.30pm

7th December – Billericay Christmas Market Santa's Grotto

11th December – Hearing Help – Hearing aid support service 2pm-4pm

14th December – Crafty Cow Craft and Gift Fair – 11am-3pm

18th December – Mid-Essex Recovery College – Anxiety, taking back control 10.30am-12.30pm (A free course to support mental health recovery)

Please note that the Chantry Centre is closed from 24th December until 2nd January 2026

JANUARY 2026

Every Monday and Wednesday – Barclays Local – Community banking hub 9am-5pm

8th January – Hearing Help – Hearing aid support service 2pm-4pm

8th January – Billericay Community Cinema 7pm

18th January – Billericay Community Cinema – Sunday Matinee 3pm

9th January – Basildon Community Transport Service – Toenail cutting 9.30am-12.30pm

31st January – Crafty Cow Craft and Gift Fair – 11am-3pm

For details of events in February and March please visit www.chantrycentre.org.uk

NEED A LITTLE HELP WITH TOENAIL CARE?

On the **first Friday of every month**, the Chantry Centre hosts a **Toenail Cutting Service** provided by the **Basildon Community Transport Service** – perfect for residents who may find it difficult to manage this themselves.

When: 9:30am – 12:30pm – First Friday of the Month **Where:** The Chantry Centre **Cost:** £12
No need to book – just pop in! The next two sessions are Friday 5th December 2025, and Friday 9th January 2026

If you're taking blood-thinning medication, please book a **home visit** instead by calling **01268 294334**.

UNITE IN KINDNESS INITIATIVE

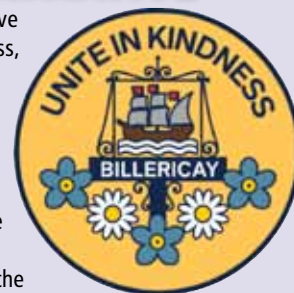

THE BILLERICAY DEMENTIA FRIENDLY community committee have created a cheerful, eye-catching badge to symbolise the kindness, empathy and connections that make Billericay a special place.

The badge includes the unique Billericay Mayflower ship, daisies for friendship and to link people, with forget-me-nots to signify commitment to inclusion for people living with dementia.

When you see someone wearing the badge, you can be sure of a warm smile, a wave, and a safe person to ask for help.

People who wear the badge are signalling their support for the simple human connections that make life brighter.

Wearing the badge shows pride in our Billericay community and a desire to make it even better.

DIGITAL FRIENDS

For homebound individuals aged 60 years+ living in Brentwood and Basildon districts.

Enjoy a chat over a cuppa – discover how being online can make life easier and more connected.

Learn useful digital skills – from downloading the NHS App to online shopping, video calls, GP bookings and more.

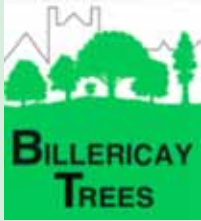

Friendly, patient volunteers – all DBS-checked and working at your pace, with up to six relaxed sessions.

Personal support at home – one-to-one help with your device, in the comfort of your own home.

BILLERICAY TREE WARDENS' ACTIVITY DAY BILLERICAY LIBRARY

ON 27TH AUGUST 2025, the Billericay Tree Wardens held a Tree Activity Day at the Library, primarily aimed at our younger residents. It included interactive displays, games, craft

activities, and storytelling. The children created imaginative and inspiring artwork, showing genuine curiosity about our natural world. After much deliberation, given the high standard of art produced by the children, Hazel was considered to have created the best piece of artwork overall. She received a free tree, matched to her height, so that they can grow up together.

There was an opportunity to meet our dedicated volunteer Tree Wardens to discuss local tree-related issues and to peruse an array of information. The event was well attended

and enjoyed by all ages. The Wardens will be holding future activity days at the library and in the local community.

Their next event will be the Annual Free Tree Giveaway on 14th February 2026 outside Paul Robinson Solicitors on the High Street. For information about upcoming events or for assistance with tree related matters, please contact them at billericaytreewardens@gmail.com or follow their Facebook page at: <https://www.facebook.com/billericaytrees>

BILLERICAY FREE COMMUNITY EVENT

CHRISTMAS MARKET

HIGH STREET, BILLERICAY

Sunday 11am - 5pm

7th December

SANTA'S PARADE 11AM

With grateful thanks to our Platinum Sponsors:

BILLERICAY YOUTH TOWN COUNCIL (BYTC) – GEORGE WOOD, CHAIRMAN

DURING THE SUMMER holidays BYTC members met to help clean our local green and social spaces. We visited Sun Corner, Billericay High Street, Festival Gardens and Lake Meadows. Within 3 hours BYTC had collected seven bags of rubbish. Thank you to Basildon Council for collecting the waste and the kind members of the public who came and spoke to us.

On the 15th November BYTC continued their support of Billericay Round Table's annual Fireworks event. Scanning around 2300 tickets, we helped members of the public safely enter Lake Meadows. The fireworks were fantastic, we can't wait to assist again next year.

Are you 11-18 years old and live in Billericay? Enjoy or want to help make a difference to your local community? If so, why not join the BYTC,

meeting regularly we discuss the issues that young people face in the town, and help address them with projects and events. For more information, please contact townclerk@billericaytowncouncil.gov.uk
