# Billericay Town Crier

Autumn 2026

www.billericaytowncouncil.gov.uk

THE OFFICIAL PUBLICATION OF THE BILLERICAY TOWN COUNCIL

## NATIONAL BILLERICAY DAY

ON SUNDAY 13TH September the first ever National Billericay Day was held in the High Street. The BID marketing team wanted to come up with an event that would bring the community together to celebrate our town and showcase the wonderful groups and businesses that call Billericay home.

Over 500 people representing community groups, schools, sports organisations, dance and cheerleading groups, charities and businesses paraded through the High Street at 11am. After the parade people enjoyed entertainment ranging from Punch and Judy to live music and the Mayflower Morris Men. There was also face painting, balloon modelling, cake decorating, stilt walkers, roller skaters, bubbleologist and a Town Trail competition.

It was fantastic to see the High Street filled with so many visitors, local groups, businesses, families and familiar faces, all coming together to celebrate the wonderful town of Billericay.

Special thanks to all the Service clubs and groups that gave up their time and got behind the event. A big shout out to Billericay Town Council and Youth Town Council, Billericay Lions, Rotary Club of Billericay Town, Billericay Round Table and Billericay 41 Club.

Days like these simply wouldn't be possible without the support of local organisations that give their time, enthusiasm and energy to Billericay throughout the year.

Billericay really has an amazing community and is a wonderful place to be.

## LATE NIGHT LIGHT UP – THURSDAY 26TH NOVEMBER COME ALONG AND ENJOY THE FUN

THE TOWN COUNCIL is pleased to announce that for 2026 it is funding additional Christmas lighting in the High Street. There will now be lamp column motifs all along Alma Link and icicle lights along the shop fronts in Western Road and The Walk to make Billericay High Street even more festive and welcoming for both residents and visitors.

We are also proud to be working with the Business Improvement District team to reinstate a Christmas lights switch-on event. The Your Billericay Late Night Light Up is taking place on Thursday 26th November from 4pm to 8pm. The lights will be switched on by the Chairman of Billericay Town Council, Cllr Jim Devlin at 5.30pm. There will be plenty of entertainment for both young and old so make sure you pop the date and time in your diaries.

## HIGH STREET LITTER PICK INVITATION FOR REMEMBRANCE

ON SATURDAY 31ST OCTOBER, local residents are invited to join forces with members of Billericay Town Council for a community litter pick along the High Street which is taking place between 9.30am and 11am. As the Remembrance Parade and service will take place the following weekend we are keen to ensure the town looks its best. All equipment will be provided so if you would like to take part please arrive at the Chantry Centre for 9.30am.

## REMEMBRANCE SUNDAY 8TH NOVEMBER

**10.25** – Remembrance Parade departs Scout Hut on Laindon Road

**10.30-11.30** – Wreath Laying service at the War Memorial

**All residents are welcome to attend**

For further information and general enquiries contact: Town Clerk

# PLANNING MATTERS
# CLLR CHRIS MAY, CHAIR OF THE PLANNING COMMITTEE

TWO KEY PLANNING events have shaped the activities of the Planning Committee over the last 3 months and for which, at the time of writing, we await the outcomes.

**1. Representation to Basildon Planning Committee on Major Developments**

In the planning vacuum that has existed since the withdrawal of the previous draft Local Plan in 2022, developers have used this as an opportunity to submit speculative Planning Applications for major developments on Billericay Green Belt. It has been the case that, under the previous Basildon administration, such proposals were given a favourable hearing when presented for planning approval, despite justifiable and vociferous objections from residents and the Town Council. The physical results of this are now visible on Southend Road and Kennel Lane.

Thus, when proposals for major developments on Greens Farm Lane and Laindon Road came before the Basildon Planning Committee at the end of July, optimism was not high. However, after hearing representation from both the Town Council and the directly affected residents, the Committee agreed to refuse planning permission for both proposals. This was based on the objections presented about the need to protect valued Green Belt, wildlife habitats and to address the lack of vital infrastructure. It was indeed uplifting to see residents in the Council Chamber with smiles on their faces rather than tears of frustration.

Notwithstanding, at the time of writing, these applications are going to Planning Inspectorate Appeal, so the battle for our Green Belt continues!

**2. Local Plan – Regulation 19 Consultation Response**

This version of the Local Plan was published for consultation in August/ September.

Billericay Town Council appointed its Planning Committee with delegated responsibility to make an online and direct submission in response to to the Regulation 19 consultation.

Accordingly, the Committee conducted a thorough review of the draft Plan and supporting documentation to produce a comprehensive report, which is available online on the BTC Website under News.

The key points which emerged are summarized below, along with recommended actions we think are needed to improve the Soundness and Deliverability of the Draft Plan.

**Key Findings**

The report detailed the BTC's serious concerns regarding the soundness of the Regulation 19 Draft Local Plan and its implications for the Town and residents of Billericay.

The Plan proposes around 9000 new homes in Billericay utilising existing Green Belt land and will impose unsustainable pressure on already overstretched public services and highways.

Such a 47.5% increase in households is unprecedented and requires a correspondingly comprehensive, timely and well-funded programme of infrastructure improvement and harm reduction to mitigate the negative impacts and ensure sustainability. Unfortunately, this draft Plan falls a long way short of this.

That the overall target of delivering 28,000 new homes in Basildon over the planning period is both unnecessarily ambitious it is also, as it stands, unrealisable, resulting in an unjustified Plan. BTC identified the following key issues;

- A defective Green Belt Study which uses an unsound methodology to determine contribution to Green Belt Purposes resulting in inappropriate allocation of 'Grey Belt' status within Policy Map.
- An inadequate Ecology Assessment of Policy Map sites
- An out-of-date Infrastructure Delivery Plan which lacks the necessary detail on the location, planning and funding of key infrastructure.
- Inadequate water supply to support the planned number of homes or any new commercial users.
- Inadequate Wastewater Treatment capacity to support planned number of homes.
- No planned investment in Secondary Education in Billericay
- No planned investment in Secondary Health Care in Basildon (Basildon Hospital in Special Measures)
- Lack of effective plan to upgrade public transport
- No account taken of cross boundary implications on services, supplies and capacities.
- Environmental damage insufficiently mitigated to meet Environment Improvement Plan objectives.
- Local Nature Recovery Strategy objectives not achievable
- Lack of a convincing funding mechanism to provide assurance that vital Infrastructure will be planned and delivered in advance of the significant increases in population.
- A lax and unprofessional Plan Delivery and Monitoring process.

**Summary of Recommendations**

- Review and revise Green Belt Purposes evaluation of Policy Map sites
- Commission an 'on-site' Ecology Assessment for all Policy Map sites.
- Revise and flesh out the Infrastructure Delivery Plan
- Carry out strategic review of future water supply
- To only approve Planning Permissions for developments once adequate water supplies are secured.
- Carry out with Anglian Water and Environment Agency a detailed review of Wastewater Treatment Capacity in Basildon
- To only approve Planning Permissions for developments once adequate wastewater treatment capacity is available.
- To review Secondary Education provision in Billericay, agree and secure the necessary investment.
- To engage with and review Secondary Healthcare provision in Basildon, agree and secure the necessary investment.
- Develop proposals for a comprehensive, timely and cost-effective public transport service for the borough
- Carry out a holistic review and evaluation of the impact of planned developments both in and outside the Borough
- Implement Essex Local Nature Recovery Strategy (LNRS) recommendations in full.
- Instigate a Community Infrastructure Levy (CIL) funding mechanism to ensure the adequate and timely funding of key infrastructure.

The draft Plan, along with all the comments received, now goes to the Government body the Planning Inspectorate for detailed examination and we await the outcome which is expected at around the end of this year.

# ALAN TALBOYS RETIRES FROM THE TOWN COUNCIL

ALAN WAS A BILLERICAY Town Councillor for over 10 years. During this time Alan supported many initiatives: a lead Councillor for the Billericay Youth Town Council, part of the steering group that planned the Chantry Centre building, a longstanding member of the Planning Committee and many working groups. The Town Council will miss Alan's stalwart contribution and wish him many happy years of retirement.

# WELCOME TO OUR NEW TOWN COUNCILLORS!

BILLERICAY TOWN COUNCIL recently co-opted two new members: Councillors **James Sanders** and **Steve Tomlin**.

**James Sanders** is the youngest ever Billericay Town councillor, but he comes to us following several successful years on the Youth Town Council so has a good understanding of how things work. He is an active member of the Royal Air Force Air Cadets and sees his role as being able to both represent and provide opportunities for young people. James is also passionate about protecting Billericay for his and future generations.

**Steve Tomlin** has been a Billericay resident for nearly 30 years, and has been witness to a lot of changes in the town. He wants to make a positive impact for all areas of the community, whether this is by way of idea generation, highlighting areas of concern or simply by supporting other members of the Council. Steve has already demonstrated his commitment as a councillor by joining every Committee and attending as many meetings as he can since being co-opted in July.

# GOOD COMPANY, GOOD FUN, GOOD COMPANIONS

ON FRIDAY 4TH SEPTEMBER staff from the Town Council attended Richard Holden MP's Older Persons Fair at the Chantry Centre to promote our senior citizen's club, the Good Companions.

If you are over 60 and find yourself at a loose end on Wednesday afternoons then why not come along and enjoy an afternoon of great entertainment, friendly company plus tasty refreshments.

We also need helpers to prepare and serve refreshments so if you have a spare couple of hours on Wednesday afternoons we'd love to have you join the team!

## Good Companions Club

**The Chantry Centre, Chantry Way, CM11 2AP**

**2nd & 4th Wednesday of every month**
**2pm - 4pm**

**Come along and join our much loved Senior Citizen Club**

**Enjoy 1 hour of entertainment, followed by time to chat and socialise with others while enjoying tea, coffee, cakes and sausage rolls.**

**£3 PER MEETING**

**Please contact**
**Billericay Town Council**
**01277 625732**
**Email: bookings@billericaytowncouncil.gov.uk**

For more information please telephone the Council office on 01277 625732.

# TOWN COUNCIL GRANTS: MAKING A DIFFERENCE

EARLIER THIS YEAR, Billericay Town Council introduced a new Events Assistance Grant to help local people and organisations turn good ideas into new community activities – particularly those supporting groups who may currently be underserved.

Rather than simply providing money, much of the support comes through free use of the Chantry Centre, with additional funding available where needed for costs such as refreshments or publicity.

Six months on, the results are already visible. Billericay Dementia Friendly Community is running monthly talks and discussions for people living with dementia, featuring guest speakers and lively Q&A sessions. The new monthly Community Tea Dance, open to everyone but particularly aimed at older residents and those living with dementia, has proved incredibly popular, and Billericay Community Cinema has introduced regular dementia-friendly screenings, with musicals and classics including The Greatest Showman and Casablanca.

One-off events include a special exhibition commemorating the 110th anniversary of the Zeppelin brought down near Greens Farm Lane and a hugely successful Knit-a-thon, where more than 35 people came together to knit Remembrance poppies for the High Street – with plenty of conversation, tea and cake along the way. Such was its success that they are already looking to repeat the event next year.

These activities cost the Town Council relatively little, with much of our contribution simply being use of the Chantry Centre. But that support is helping local people create activities, bring residents together and reach parts of our community that might otherwise miss out.

Most importantly, none of this happens without the people who give their time and enthusiasm to make these ideas happen – and we thank them. Have you got an idea? Details of our grants can be found at www.billericaytowncouncil.gov.uk/grant-applications

# MAKING YOUR TOWN COUNCIL EASIER TO FIND

AT THE START of July the Town Clerk proudly unveiled a new sign on the front of the Chantry Centre, making it much clearer that the building is home to Billericay Town Council. Residents have previously told us that it isn't always obvious where the Town Council offices are located, so councillors agreed that improved signage was needed to make them easier to find.

We hope residents will agree that the new sign is a simple but worthwhile improvement, making the Town Council more visible and accessible to the community it serves.

# ARE ALLOTMENTS NEEDED IN OUR TOWN?

THE TOWN COUNCIL is investigating the need for allotments in our town. Before further work is undertaken the views of residents are sought. Allotments provide an extra food source, exercise and a green space for our community to enjoy. If you are interested in an allotment, and feel you could maintain one, please contact the Town Clerk to register your interest.

# HIGH STREET MEMORIAL BENCHES

THE TOWN COUNCIL has received agreement from Basildon Borough Council for a project that will smarten up our High Street. This includes the bollards, litter bins, and also the memorial benches. At the time of going to press the Council is hoping to replace all the benches in the same heritage style, however these new benches will be made from recycled composite materials that need virtually no maintenance and should last at least 15 years. The existing memorial plaques will be placed on these new benches as they are an important reminder of people that contributed to the town and community over the years.

Basildon Borough Council has no record of the original bench owners so we would ask anyone with information about ownership to contact the Town Clerk on 01277 625732 or email townclerk@billericaytowncouncil.gov.uk

## SAVE THE DAY IN YOUR DIARY TOWN COUNCIL COMMUNITY OPEN DAY

**5TH MARCH, 2027 10am – 12pm**
**The Chantry Centre, Chantry Way, Billericay, CM11 2AP**
***Free Refreshments***
***Volunteering Opportunities***
***Local Clubs & Organisations***
***Advice, Information and Support***

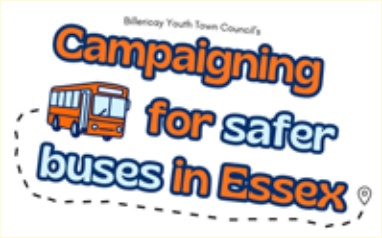

# BILLERICAY YOUTH TOWN COUNCIL – SUMMER UPDATES

**Police Call Centre Visit**

During the school summer holidays, Youth Town Councillors got an exclusive opportunity to tour the Essex Police Contact Command Centre commonly known as the Police Call Centre. It was an incredible opportunity where we got to tour the call centre, learn about how 999, 101 and live chat requests are answered and then met members of the media team to discuss how the police can better engage and encourage young people to report crime as part of a new campaign.

We learnt many interesting facts from how the centre operates when receiving huge volume of calls, to how quickly calls are answered and how incidents are logged. Even finding out about how the centre operates if phone lines went down.

The visit comes after we launched the Young People's Safer Buses Survey Report where we have presented data to the police, bus companies and other organisations about why buses should have a text message reporting system which would allow people to report anti-social behaviour and crimes happening on buses similar to the 61016 text reporting service on trains. This opportunity gave us a great insight into how current crime reporting systems work and how a new campaign could get more young people to report crime.

The police do an incredible job here in Essex and we are extremely grateful to have been offered this opportunity to see the behind the scenes. When you think of the police you assume it's just officers patrolling/ responding to crime however there's a whole lot more of amazing work behind the scenes.

To view the Safer Buses Report or learn more about Billericay Youth Town Council's Safety Project visit the new website www.essexyouthsafety.org.uk

**Summer Safety Stalls**

During the summer holidays the Youth Council also hosted two safety engagement events alongside our local Police Community Support Officer in Lake Meadows Park and outside Poundland in Billericay High Street. We handed out our iconic youth safety booklets as well as safety goodies that help to enhance public safety.

As well as this we hosted a stall at Billericay Summerfest promoting the volunteering that we get up to in the community as well as our safety project. We not only spoke to people about joining the Youth Town Council but also ran a lucky dip to win a safety goodie or sweets.

Part of this project is funded by the Police, Fire and Crime Commissioner (PFCC) for Essex through the Community Safety Development Fund initiative.

Thank you to all the residents that engaged with us we hope you have also had a nice summer.

**Letter to Richard Holden MP regarding Social Media Ban**

In June the Chairman of the YTC, YTCllr George wrote to our local MP, Richard Holden, regarding concerns the youth council has regarding the social media ban for under 16s which was announced by the Prime Minister this summer.

Many of us welcome this ban because lots of us have felt the addictive effects that social media can have and believe that we have lost the real human connection that the last few generations grew up with. We understand the ban includes YouTube which has thousands of free useful revision videos. Whilst some students sitting GCSEs might be 16, others aren't. Meaning this ban will stop generations of students from using the same laudable revision videos that we currently can access. It's not only GCSE students that would be restricted to view this type of content, it's younger students who also have in class assessments or are interested in educational videos.

So we are calling on the government to create an online revision videos platform for the educational revision videos that will be lost.

We are very grateful to our local MP, Richard Holden, who has responded and raised this issue.

# INVESTING IN BILLERICAY'S YOUNG PEOPLE

BILLERICAY TOWN COUNCIL has invested £31,000 in a new youth engagement programme, delivered in partnership with Bar 'n' Bus, to provide more opportunities and support for young people across the town.

The programme got underway during the summer holidays, with youth workers taking their mobile youth vehicle into the community. Regular sessions at Lake Meadows have attracted young people with games, activities, a PlayStation, snacks and drinks – but, importantly, have also provided an opportunity for youth workers to listen, build relationships and understand what young people want from their town.

Outreach has also taken place in the High Street and at Sun Corner, with youth workers meeting young people as they leave school, alongside a trial Youth Café at HumanKind and attendance at community events.

With schools now back, the programme is developing further. Links are being built with both Mayflower High School and Harris Academy Billericay, while ideas being explored include drop-ins, creative clubs and activities based around skateboarding, music and cooking.

These are early days, but the response from young people, schools, community organisations and local businesses has been extremely encouraging. The Town Council's investment is about creating a lasting youth programme – shaped by young people themselves and providing support where they actually spend their time.

*Cinema Volunteers*

# A SURPRISE FILM – AND QUITE A SURPRISE!

WOULD YOU BUY a cinema ticket without knowing what film you were going to see? That was the gamble when Billericay Community Cinema staged the town's first ever **Surprise Film** at the Chantry Centre – and plenty of people were willing to take the risk!

After weeks of secrecy and speculation, the audience arrived knowing only that two Cinema Volunteers, Chris and David, had chosen the film. Even the other Volunteers were kept in the dark. After one final piece of misdirection involving the opening moments of Frozen – and several audible groans – the real film was revealed as **Billy Elliot**.

The choice proved a huge success. The audience gave the film an impressive 9.7 out of 10, with more than half of those who completed feedback forms seeing it for the first time. Comments included "A wonderful surprise!", "More surprises please!" and, reassuringly, "Would risk it again."

The evening also celebrated Chris and David both reaching an extraordinary 100 films as Cinema Volunteers.

Billericay Community Cinema is entirely volunteer-run and has been screening films at the Chantry Centre since 2021. Around £250 from the evening will be split between local community groups – Human Kind Cafe, Sunny Days Drop-In and the Billericay Community Garden.
And the Surprise Film? Judging by the reaction, it may well be back!

*Chairman, Cllr Jim Devlin, Presents Prizes*

# BILLERICAY HORTICULTURAL SOCIETY ANNUAL SHOW

### CELEBRATING 100 YEARS AFFILIATION WITH THE ROYAL HORTICULTURAL SOCIETY

BILLERICAY HORTICULTURAL SOCIETY'S annual show, held at the Methodist Church Hall, Western Road, was especially memorable this year as the Society celebrated 100 years of affiliation with the Royal Horticultural Society.

Members spent the morning staging their finest entries before judging began, all hoping to win the coveted 'Best in Show' award. It was won by Ken Hoyle for his tray of five distinct vegetable varieties.

Councillor Jim Devlin, Chairman of Billericay Town Council, and Society Chair Kevin Reilly presented Ken with his certificate. Both congratulated Ken, the committee and members, while Cllr Devlin praised the impressive flowers and produce and the gardening tips he picked up during the afternoon.

Visitors enjoyed trophies and Society archives alongside excellent displays of vibrant, colourful flowers, fruit, vegetables, baking, preserves, handicrafts, flower arrangements, photography and creative children's classes. Jan Lott, Show Secretary, said "she was proud of members for going above and beyond in a difficult gardening year. Extra entries in baking, crafts and photography helped produce the highest number of entries since 2013, and the judges were full of praise all round."

If you would like to find out more about the Society, please see our Instagram page (www.instagram.com/billericayhorticulturalsoc) or website (https://billericayhorticulturalsociety.wordpress.com/).

# PHOTOFOLD SCHOOLS EXHIBITION AND COMPETITION

EVERY YEAR PHOTOFOLD Camera Club invite all the junior schools in Billericay to enter our schools competition.

The club loans each school some cameras and talk to the children about how to use them. Previous work is shown to generate ideas, and they are also advised of the competition's rules and theme. In 2026 the title was 'Movement'.

The competition runs for 6 weeks from the beginning of June to the end of term. The cameras are then collected and the chosen 10 images from each school are printed. This year four schools entered the competition.

The photographs are then judged and displayed in an exhibition in Billericay Library. A presentation of prizes by Cllr Mark Thomas Vice Chair of Billericay Town Council took place on 12th September where the children were presented with trophies, certificates and framed prints of their work.

# NEWS FROM BILLERICAY BUSINESS IMPROVEMENT DISTRICT

THE FINAL "YOUR BILLERICAY" Artisan food and drink market of 2026 brought the High Street alive on Saturday 26th September. A vibrant community turned out in force to support local retailers and stallholders. Alongside a delicious assortment of food and drink, bespoke craft stalls beautifully complimented the bustling market's offering.

Get ready for the festive season at the **Your Billericay Late Night Light Up** on **Thursday 26th November from 4pm to 8pm**! This magical Christmas shopping night celebrates our incredible town, highlighting brilliant local businesses across **Radford Way, Western Road, Chapel Street, Alma Link, The Walk, and the High Street**.

The main highlight is the official **Christmas light switch-on with Billericay Town Council at 5:30pm**. Bring your singing voices to join in with festive carols right after the lights go on! Packed with a Christmas trail, street entertainers, festive characters, and exclusive one-night-only business offers, it is the perfect holiday event for everyone.

## FROM LITTLE ACORNS... BILLERICAY'S TREE WARDENS GET GROWING

THE BILLERICAY TREE WARDENS are now the proud owners of a shed and a greenhouse.

As well as trying to ensure that important trees are protected, the Wardens initiate or help with planting projects that require a constantly-replenished stock of trees. Many of these are grown on from seeds, nuts, and berries, gathered from Norsey Wood. Others are obtained from donations of tree packs e.g. from the Woodland Trust. One special tree we are cultivating is an oak tree commemorating King Charles III and to be planted in the Wood.

The nursery requires constant pruning and weeding and the shed allows us keep simple tools and supplies, and the greenhouse will help to grow on the seeds and cuttings.

A hose will be added, as watering is essential in any nursery, particularly considering the higher frequency of droughts in our changing climate. At present we have a water trough connected to a mains supply and have dug a small pond, but we need a more sustainable water capture and storage.

Our thanks to Billericay Mayflower Rotary for their generous donation for the new facilities, and to the Norsey Wood Society and Basildon Borough Council for allowing use of the nursery.

## TOWN COUNCIL MEETINGS

**NOVEMBER 2026**

| | |
|---|---|
| Tuesday 17 | Health, Well-Being & Env |
| Tuesday 24 | Planning |
| Thursday 26 | Finance & General Purposes |

**DECEMBER 2026**

| | |
|---|---|
| Thursday 10 | Full Council |
| Tuesday 22 | Planning |

**JANUARY 2027**

| | |
|---|---|
| Tuesday 12 | Health, Well-Being & Env |
| Tuesday 19 | Planning |
| Thursday 21 | Finance & General Purposes |
| Thursday 28 | Full Council |

**FEBRUARY 2027**

| | |
|---|---|
| Tuesday 16 | Planning |

**MARCH 2027**

| | |
|---|---|
| Tuesday 9 | Health, Well-Being & Env |
| Tuesday 16 | Planning |
| Thursday 18 | Finance & General Purposes |
| Thursday 25 | Full Council |

All meetings are open to the public and press and are held at The Chantry Centre, Chantry Way, unless otherwise stated and start at 7.00pm.
